

Community Research Initiative *of New England*

FACT SHEET 2010 CRI Circle of Friends Florida Party

- WHAT:** 2010 CRI Circle of Friends Florida Party
Includes cocktails, hors d'oeuvres, and entertainment
- WHEN:** **Saturday March 13, 2010**
7:00PM-9:00PM
- WHERE:** A beautiful Miami Beach private home
- WHY:** This fundraiser is an opportunity to support the leading-edge research conducted by Community Research Initiative of New England (CRI). Working to improve the lives of people living with HIV/AIDS for over 20 years, Boston-based **CRI** has participated in some of the most promising HIV medication research being conducted across the globe.
- Through its outreach efforts, **CRI** provides the latest critical treatment information to people living with HIV/AIDS, including women, people of color, and others who have been traditionally underserved.
- Led by Dr. Cal Cohen, CRI's internationally known Director of Research, **CRI** is now collaborating on groundbreaking studies with Dr. Edwin DeJesus of the Orlando Immunology Center and Dr. Gerald Pierone of Vero Beach's Treasure Coast Infectious Disease Consultants.
- ATTENDEES:** Friends of CRI, sponsors, HIV clinicians, those living with HIV
- SPONSORSHIPS:**
- | | |
|-----------------------------------|----------|
| Platinum Circle of Friends | \$10,000 |
| Gold Circle of Friends | \$ 5,000 |
| Silver Circle of Friends | \$ 2,500 |
| Benefactor | \$ 1,000 |
- TICKETS:** Minimum donation \$100. Space is limited. To make a reservation, please contact Erin Molloy at 617.502.1726 or email her at emolloy@crine.org.
- PROCEEDS:** CRI's fundraising goal for this event is \$50,000. We cannot accomplish this alone. Your support can help us to meet this goal and continue our critical research to improve the lives of those living with HIV.
